

Do you know that RPAC investments saved the average KCRAR member OVER \$6,800 in 2009?!

Can you afford not to invest in RPAC?

Why should I contribute to RPAC?

RPAC is the muscle behind NAR. RPAC represents over 400,000 politically active REALTORS that members of Congress want as their friends. Recent legislative and regulatory successes include:

- The continued preservation of the mortgage interest deduction.
- Tax relief benefiting the real estate industry.
- Improving federal mortgage programs, allowing more families to join the ranks of homeownership.
- Creation, Expansion, and Extension of Homebuyer Tax Credits.
- Eliminating burdensome regulations inhibiting environmental quality and healthy real estate markets.

How will my contribution be used?

RPAC is neither a Republican nor a Democratic organization. Your contribution to RPAC is a vote for a pro-REALTOR Congress, regardless of political party.

100% of your contribution is used to elect pro-REALTOR candidates:

- 70% remains in the state to be used in state and local elections.
- 30% of your contribution will be forwarded to National RPAC to fund key U.S. House and Senate races.

Please Invest in RPAC Today!

Contributions to RPAC are voluntary and used for political purposes. You may refuse to contribute without affecting your membership rights. 70% of each contribution is used by RPAC to support state and local political candidates. 30% of each contribution is sent to national RPAC. Of that amount, 90% is used by national RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a, while the remaining 10% is used for other federal grassroots political activities. Contributions are not deductible as charitable contributions for federal income tax purposes.
