

INFORMATION FOR EXISTING WHS CERTIFICATION HOLDERS

Congratulations! You're one of the few in our region who is specially trained to help the typical American worker achieve the dream of homeownership.

Your name is listed on www.KCHomePrograms.com and you're part of a program that has been licensed to several other REALTOR® associations at both state and city levels.

Renewal

Your certification renewal always occurs in even-numbered years. However, if the upcoming renewal date is less than 2 years since you first received your WHS certification, your renewal will be postponed until the next following even-numbered year. Renewal fees are subject to change, but in the past it has been \$40 for an additional two-year term.

In order to renew you must have accrued at least 3 **"Education Points"** by attending various approved educational programs or engaging in various activities. Many of these have been approved in the past for a range of 1 to 3 points each. Examples of approvable activities are as follows:

- ~Special workshops or KCRAR events of particular interest to WHS's with preferred seating especially for you.
- ~Attendance at certain continuing education classes that qualify (i.e. Diversity)
- ~Participation in ethnic festivals or other community events
- ~Conducting homebuyer education seminars for the public

Contact Jan Pringle, KCRAR Education Director, janp@kcrar.com to discuss any endeavor you feel should merit points. Jan will present your request to KCRAR's Workforce Housing Committee.

Newsletter & Special Announcements

Watch for our WHS Newsletter mailed to you two or three times each year. Also, take note of email bulletins you may receive notifying you of important information.
