

Re-Certification for Existing WHS's

We've made some changes to the WHS education program and it's all good!

The National Association of Realtors® has created a course titled "Expanding Housing Opportunities" which is the national version of our local WHS program. This EHO course is a full day program with 6 hours of elective CE for Kansas and Missouri. All *new* WHS candidates must attend this. They will also attend a half-day session titled "WHS Part II." The new EHO course is different from our previous WHS material.

As a current WHS here is how you will renew your certification for the two-year period of 2011- 2012:

The only class you need to attend is the 2½ -hour update session that will provide an overview of the new material contained in the new EHO course. (No CE credit) You'll learn some new techniques for working with local housing associations and housing counselors to expand your personal marketing.

Two opportunities:

Friday, November 5th, 9am-11:30am
(Continental Breakfast ready at 8:30am)

or

Wednesday, November 10th, 9am-11:30am
(Continental Breakfast ready at 8:30am)

Note! We have received a grant from the National Association of Realtors® to subsidize our program. There is **NO CHARGE** to you for renewal!

As before your name will be listed on www.KCHomePrograms.com and you will have access to the password-protected pages showing contact information for all the financing programs.

See you there!
